## Summary

I am an energetic, enthusiastic, and active individual possessing a strong work ethic with the ability to function well in multiple environments and interact with people from all different economic and social backgrounds. I have a business mindset and am willing to apply these skills as an entry-level employee.

## Education

### Centennial

Highschool

Calgary, Alberta

Graduating June 2019

Throughout high school, so far, I have been able to develop a strong understanding of the importance of, punctuality, self-discipline, and hard work. I have also taken several courses including, accounting, legal studies, and computer sciences which have allowed me to prepare myself for a multitude of possible opportunities.

### Mount Royal

University

Calgary, Alberta

Enrolled fall 2019

I have been accepted into the Mount Royal University Computer Information Systems program, which will allow me to be available for the foreseeable future as there will be no unpredictability in my schedule.

### AMA

AMA Driving School

Calgary, Alberta

Graduated July 2017

I completed an AMA driving achievement course demonstrating my driving capabilities.

## Experience

### Mckenzie Lake Residents Association

Maintenance

Calgary, Alberta

May 2019 - April 2020

I worked as a part time maintenance worker, doing various tasks around the lake such as collecting garbage, weeding, cleaning in-door areas, and other related tasks outdoors. I also

worked temporarily in the boat house, furthering my customer service skills through assisting residents with entry and exit on the boats.

### **Best Buy**

Best Buy Operations Representative

Calgary, Alberta

October 2018 - December 2018

I worked as a part time seasonal operations representative working in the areas of customer service and handling transactions through both card and cash. Due to this I have developed skill in interacting with customers and helping to resolve any possible issues they may have. While not certified in WHIMIS, during my time at Best Buy I did take the mandatory online courses relating to WHIMIS and it's symbols.

### **Hobbies and Interests**

I have a strong interest in computers, and have taken several courses related to them. With my experience working with computers I have been able to develop strong logical thinking and problem solving skills.
